

WARREN HARDING AQUATIC TEAM

I am so excited to join the Warren School District as Aquatics Supervisor, Head High School Coach, Assistant with Warren Middle School, and Head Coach of W.H.A.T. I think the foundation that Coach Steve Lukco and his staff have developed over the years and the strong tradition that retired Coach Frank Supancic put in place for many decades puts me in a position to continue to foster the growth and development of The Warren Aquatic Programs moving forward into the future and I think the future looks bright! So please spread the word and excitement about the Next Phase of Competitive Swimming in Warren Ohio!

Name: Mike Davidson

College: Cleveland State University (1987-1992)

Date Started with Warren School District High School/ Middle School and WHAT: September 2022

Number Years Coaching: 1987-88, 1992-present
